SALE OF STATE TAX LANDS.

AUDITOR GENERAL'S OFFICE.
LANSING, MICH., DEC. 28, 1889.
NOTICE is hereby given that certain lands situated in the County of Shiawassee, bid off to the State for Taxes of 1888 and previous years, and described in statements which will hereafter be forwarded to the office of the Treasurer of said County, will be sold at public auction, by said Treasurer at the County Seat, on the first Monday of May next, at the time and place designated for the Annual Tax Sales, if not previously redeemed or canceled according to law.

Said Statements contain a full description of each parcel of said lands, and may be seen on application at the office of the County Treasurer after they are received by him.

The lands struck off to the State for Taxes of 1888, or other years, at the Tax Sales in October last, will be offered subject to the right of redemption prescribed by law.

HENRY H. APLIN,
Auditor General.

ANNUAL TAX SALES.

STATE OF MICHIGAN.

To the Circuit Court for the County of Shiawassee, in Chancery:

The petition of Henry H. Aplin, Auditor General of said State of Michigan, respectfully shows that the lists of lands hereinafter set forth and marked "Schedule A," contain a description of all lands in said county of Shiawassee, upon which taxes were assessed for the years mentioned therein, and which were returned as delinquent for non-payment of taxes, and which taxes have not been paid; together with the total amount of such taxes, with interest computed thereon to the time fixed for sale, and collection fee as provided by law, and the cost of advertising and other expenses of sale of each of said parcels of land.

Your petitioner further shows to the Court that said lands were returned to the Auditor General as delinquent for the non-payment of said taxes for said years respectively, and that said delinquent returns were made prior to the first day of July, 1888.

Your petitioner further shows and avers that the taxes, interest, collection fee, costs of advertising and other expenses of sale, and the legal fees for personal service of subpoena in each case where such personal service is actually made, are a valid lien on the several parcels of land described in said schedule.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year from the first day of July next after their return to the Auditor General, and the said taxes not having been paid, and the same being now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee, cost of advertising, and other expenses of sale, as computed and extended in said schedule, against the several parcels of land contained therein, and in addition thereto of the amount of legal fees for personal service of subpoena in each case where such service is actually made as provided in Sec. 53 of Act No. 195 of the session laws of Michigan of the year 1889; and in default of payment of the said several sums computed and extended against said lands, that each of said parcels of land may be sold for the amounts due thereon as provided by law, to pay the lien as aforesaid.

And your petitioner will ever pray, etc.

HENRY H. APLIN,
Auditor General.
